Regular Board Meeting  
March 19, 2018  
4:30 p.m.

**Board Members Present:** Brady Flannery (Chair), Joan Golden, Judy Keller, Ursula Minor, Sarah Goodwin Thiel (by phone), David Vance, Kevan Vick.

**Library Staff Present:** Tricia Karlin, Amanda McConnell, Kathleen Morgan, Leah Sewell, Sherri Turner.

**Friends of the Library:** Jenny Lattimore, Stan Ring

**Guests:** none

#### **Call to Order**

Brady called the regular meeting to order at 4:30 p.m. Stan introduced Jenny Lattimore, Friends Board member. Kathleen introduced Leah Sewell, Marketing Assistant for the library.

**Public Comment:** none

#### **Consent Agenda**

Joan moved to approve the consent agenda; Kevan seconded. All in favor; motion carried.

#### **Director's Report**

Brady announced that Zadie Cecelia Allen joined the world on March 13. He expressed congratulations to Brad and Erin on behalf of the board. Judy moved to give the family a \$100 gift certificate to Free State; Ursula seconded. All in favor; motion carried. Gift funds will be used for the purchase.

#### **Library Foundation Executive Director's Report**

Kathleen said that an estimated 1000 people, including many children, attended the Lizzie Velasquez *Read Across Lawrence* event, making it the largest indoor program to date. The program generated a lot of positive comments. Support from local schools contributed to the success.

The next *Music Storytellers* event featuring Mavis Staples is coming up on April 4. Doors will open at 6:30 followed by a concert from the Ninth Street Baptist choir at 7:30. At 8:00, the storytelling

will begin as Ms. Staples is interviewed by Randal Jelks, Professor of American Studies and African and African American Studies at KU. There is no reception. [Post meeting note: this event was canceled due to a family emergency.]

Kathleen said that Library Foundation funds grew 13.7% in 2017 which is in line with benchmarks. This allowed the Foundation to approve a distribution to the library of approximately \$95,000. Details are in her printed report.

The Foundation is making progress on trademarking “Before You Check Out.” It will be published in the Official Gazette of the US Patent and Trademark Office on March 27 for a 30-day notice period. If there are no objections, it will become officially registered after the 30 days. The next class in the series will be on April 12. Jane Warren will provide a framework/checklist for gathering essential information and documents. The series will start up again in the fall with Webb Golden presenting a session on estate planning.

Kathleen and Gregor have been visiting retirement communities to touch base about library services. One result is that we will be adding Pioneer Ridge’s Independent Living facility to our book van route. We are also connecting the communities with our Book Squad and exploring options for expanding our book service over time.

### **Friends Report**

Jenny and Stan said that around 100 people attended the annual meeting brunch on March 3. Five new board members were inducted. The Mary Dalton Murphy award was presented to Sylvie Rueff and Glen Garneau. A check for \$90,000 was presented to the library. Friends are currently preparing for the Spring sale. They have formed a capital improvement committee to address space concerns, especially in the internet sales room. They are working with a Boy Scout to build shelving and Little Free Libraries for his Eagle project.

### **Ongoing Business**

#### **New Business**

##### **Form Officer Nominating Committee**

Brady and David were named to the Officer Nominating Committee.

##### **Report from Budget Committee**

Brady distributed a draft budget recommendation from the budget committee showing a proposed 6% increase. The majority of the increase goes to salaries and benefits to help reach market, technology, and books and materials. He said that the committee’s intention is to maintain a flat mill and to adjust the budget down slightly should the request result in a mill increase. The budget is due on April 16, the date of the next board meeting. We hope to hear more from the city by then.

##### **Report on Women of Color Mural**

Kathleen and Ursula provided background information about a possible presentation at the next board

meeting. A group has applied for and received an \$11,000 grant to create a mural and record oral histories celebrating women of color who have helped make Lawrence what it is. They are using the library studio to record women's stories of growing up in Lawrence and are preparing to move forward on the mural. The original proposal had been for the mural to be placed on the north side of the garage. Having determined that the texture of that wall is not ideal for a mural, they have suggested putting it on the library itself. Brad expressed concern about the building aesthetics and suggested that the west wall could possibly be an option. The group didn't think that location would provide enough visibility and preferred the south side of library. Brad then proposed placing it inside the building, in the atrium, below the clerestory. They seem open to that idea but will need to discuss it with the group. Library staff have not actually met with the group yet, so Kathleen and Sherri have set up a meeting later this week. Some other locations may be under consideration. If the library remains their top choice, they will be asked to make a presentation to the board. Because the library is a city building, the city will make the final decision.

### **Ebsco Solar Grant**

Kathleen presented background on a solar grant offered by Ebsco, one of the library's vendors. They are accepting applications for 3 grants of \$100,000 each to fund solar installations at libraries. The library meets all the qualifications and plans to apply for the 3<sup>rd</sup> year in a row. Matching funds are not required for the grant, but Kathleen and Brad thought that doing so might strengthen the grant application and allow us to have greater impact. Joan moved that the library provide a match of \$100,000 from the capital improvement fund for this project, pending positive response to questions regarding estimated savings, aesthetics, and city approval; David seconded. All in favor; motion carried. Kathleen will follow up.

### **Library Behavior Policy**

Sherri provided background regarding the proposed changes to the Library Behavior Policy. Kevan moved to adopt the recommended Library Behavior Policy; Joan seconded. All in favor; motion carried.

### **Adjournment**

Judy moved to adjourn the meeting; Kevan seconded. All in favor; motion carried. Meeting adjourned at 5:25 p.m.

The next Board meeting will be at 4:30 p.m. on Monday, May 21, in Meeting Room A of the library.

Respectfully submitted,

Sherri Turner

## **Library Director's Report for April 2018**

### **We Have a New Website!**

We officially launched the new library website at 9 am on April 10. The website has been in public beta for the last few months, and I'm so excited for it to be officially launched. I encourage all board members to check out the [Welcome to Your New Website](#) page on the new site for all the nitty gritty we shared with the public about why we changed to the new site. Huge thanks go to the many staff members that shepherded this project to its completion these past several months, especially project leaders Kim Fletcher, Heather Kearns, and Aaron Brumley.

### **We Have a New Checkout Machine!**

We rolled out the first of our six new checkout machines in mid-March. It looks fantastic and staff have been very pleased with its performance. We plan to install the rest of the new machines in the next month or so. Please try it out next time you're in the library.

### **We Had (Internal) Community Conversations**

You may recall that last October, Information Services Coordinator Melissa Fisher Isaacs and I went to a Harwood Institute Public Innovators Lab for Libraries. We created a staff workgroup to begin discussing how we would use Harwood techniques to learn more about the aspirations of people in Lawrence and what that would mean for how the library serves our community.

We began by practicing community conversations on staff and learned a good bit about aspirations of our staff when it comes what they want our library to be as an organization. The main thing we learned was that staff want improved communication and better commingling of staff in different departments. In response, we have created an internal communication task force to examine how to improve in this area. More details as we move forward.

Respectfully submitted by Brad Allen, April 11, 2018

## Foundation Director's Report – April 12, 2018

**Bequest.** The Library Foundation has learned that it is a qualified beneficiary of the Margie Hildenbrand Trust. She died February 12, 2018 in Topeka. The Library Foundation is one of 56 beneficiaries and will receive 1% of the trust estate. We do not know the amount. Trust officers at CoreFirst Bank estimate that distributions will be made before the end of the year. We are honored to be among Ms. Hildenbrand's designated charities.

**Endowed Funds.** At its March meeting, the Foundation board voted to endow \$70,000 of its unrestricted checking funds in its fund at the Douglas County Community Foundation. This amount is more than double the \$30,000 that the Foundation endowed in 2017.

**New Foundation Assistant.** Also at its March meeting, the Foundation board approved funds to make the Foundation Assistant position full-time. The expanded duties will include generating donor acknowledgements, overseeing the annual fundraiser, supporting the Foundation's marketing efforts, and helping with grant writing. H/she will start work this summer.

**Hike Through History Update.** I'm pleased to report that the permanent panels for the Hike Through History are now installed along the Burroughs Creek Trail in east Lawrence. The brainchild of Henry Fortunato, this project began as part of the 2016 Summer Reading program and involves numerous local partners. There will be a two-day celebration that starts on Friday, April 27th. "Trails That Connect Us" is a free event at the Free State's East Side Brewery at 19th and Moody Road from 5 pm to 8 pm. A formal unveiling of the panels will take place on Saturday morning, April 28th at 9:30 am near Burroughs Creek Park, 900 E 15th Street.

**Grant/Sponsorship Awards.** We have applied for and earned two recent grants. In addition, the summer Dinner and a Movie events are fully sponsored. Here are the details:

- Lawrence Cultural Arts Commission Community Arts Grant: \$2,000 for 2018 Dinner and a Movie series.
- Douglas County Community Foundation: \$1,000 for a library mobility scooter.
- The two summer movies (June 2 & August 18) will be sponsored by KU Athletics and Midco. Thanks to DLI for facilitating these partnerships.

### **Pending Grant Applications:**

- EBSCO Solar Grant (pending): Due April 30<sup>th</sup>. Our application is for a \$100,000 grant for solar panels on the library roof.
- Hill's Pet Nutrition Grant (pending): \$3,000 for Tail Wagging Readers and the Halloween Dinner and a Movie event with DLI featuring "Frankenweenie."

**KPR Fund Drive.** In my capacity as Director of Development and Community Partnerships, I served as an on-air guest on KPR's spring fund drive from 9 am to noon on April 11<sup>th</sup> with Kaye McIntyre and Michael Keelan. It was a great opportunity to help one of our favorite library partners.
