#### DRAFT

#### Lawrence Public Library Regular Board Meeting

November 15, 2021 4:30 p.m.

Venue: The meeting was held via Zoom

#### **Board Members Present:**

Sarah Goodwin-Thiel (Chair), Judy Keller, David Vance, Susan Kang, Ursula Minor, Kevan Vick. Absent: Jennifer Bonilla-Scotten, Mayor Brad Finkeldei

#### Staff Members Present:

Brad Allen, Kathleen Morgan, Erica Segraves, Aaron Brumley, Heather Kearns, Bree Pfannenstiel, Tricia Karlin

Friends and Foundation Members Present: Rachel Rademacher

Members of the Public Present: J. Thornburg

#### Call to order:

Sarah called the meeting to order at 4:35 p.m.

#### **Consent Agenda**

Susan Kang moved the consent agenda be approved; Judy Keller seconded. Consent agenda passed.

#### **Library Director's Report**

- Things are looking good budget-wise as we near the end of the year. We are still determining what to do with staff bonuses for the end of the year. Approximately \$16,000 of the Eggert funds should be available to put towards this purpose. Last year the library offered a bonus of \$500 (pro-rated for part-time staff).
- Raises for staff for 2022 will be around 2% better than the anticipated 0%.
- Brad shared highlights from his monthly report. He was able to attend some fun children's
  events in October. There is a new Kid President: Reese; Dottie is the new Vice President.
  The Jerry Craft program was wonderful the author had a lot of interaction with kids, and Dr.
  Lewis was the moderator for the event.
- Brad was on the executive interview panel for the new Lawrence Chief of Police hiring process. The candidate will be here at the library this week for a meet and greet event with members of the public.
- Craig Owens met with library staff a week ago so staff could meet him and he could present information and answer questions about the City's Strategic Plan.

 Humanities Kansas - Brad is enjoying serving on the Board of Directors of this group; they are still meeting virtually.

#### Friends and Foundation Director's Report

- Rachel Rademacher presented the report.
- There is fantastic news to report first: the Friends and Foundation Retirement Boot Camp program series got a sponsor! Capitol Federal Foundation awarded us \$26,000 for the next 2 years. It's a very popular program: this month's wine program has 50 people signed up with a waiting list! The "Gray Anatomy" programs with medical staff from LMH Health have also been really popular.
- The October book sale made more than \$17,000. It's the first sale in more than 2 years and people were excited to be there. Appointments were full but there was also an option to shop outside without an appointment. The revenue was just a few thousands under pre-pandemic book sale earnings. In-person shopping appointments continue to be offered on an ongoing basis, so all the sales are not concentrated in one event.
- This year to date we have earned \$62,000 in online book sales with Amazon
- \$1,000/yr memberships for the New Chapter Society are rolling in: so far we have raised \$9,500.
- The general fundraising started off well with a \$30,000 matching contribution to motivate people to donate.
- Kathleen and Joan have launched a campaign to raise money for Dottie, the library's new outreach vehicle. The funds will help outfit the outreach setup. It will be used to buy tables, chairs, and other equipment.
  - The actuators (a key component of the outreach vehicle have not arrived yet. The anticipated delivery date is sometime in January 2022. The library is currently planning on a spring 2022 launch.
- Thursday February 10th is set for the After Hours event next year. The timing of this event allows us to still use the software on the same subscription purchased last year.
- Susan congratulated the Friends and Foundation for making such great progress on fundraising, the new grant, and the successful programming.

#### **Ongoing Business**

- Executive Director Annual Evaluation
  - Sarah will send a blank form for evaluation responses to Library Board of Trustees members by the end of this week. It is to be returned to the evaluation committee (Sarah and David) by Dec 6. The Committee will compile comments and have a draft ready for a meeting with the board. They will go into executive session to make their decisions and meet with Brad after that.
- December Board meeting date and time
  - Sarah noted that the December Board meeting was scheduled close to the Christmas holiday. All board members present reported that 4:30 on December 20th worked okay for them.

Kathleen Morgan, Director of Development and Community Partnerships

An earlier version of this policy was presented at the Board meeting of September 19. The Board expressed concern about language surrounding donor eligibility. Some of those sections were redrafted. Kathleen thanked Susan and Judy for their assistance in drafting and refining the policy. The revised policy was reviewed by Judy, Mary Burchill, and Joan Golden. The Friends and Foundation Board reviewed the revised draft at their meeting last month and voted to send it forward to the Library board of Trustees for their review and decision.

David Vance moved to approve policy as edited. Ursula seconded the motion. The Donor Recognition Policy with proposed edits was approved.

#### • Employee Handbook revision – ACTION ITEM

Erica Segraves, Employee Engagement Coordinator

Erica explained the rationale for requesting a change to compensation for staff who work on weekend days that the library is closed due to a holiday, but are currently designated as unpaid. She explained that weekend staffing used to be based on rotating staff through the less-desirable weekend shifts and so the effect of this on staff was shared more widely. However, the current practice is that staff are scheduled to work specific days of the week, including weekend days. Therefore the current compensation policy that designates some Saturdays and Sundays as unpaid closed days are hurting a limited number of staff very significantly. They have to take vacation time to cover several unpaid holidays or else suffer a cut to their paycheck. These staff, who are regularly scheduled to work a specific weekend day, would be eligible for holiday compensatory pay for closed days that they are normally scheduled to work. This policy change would currently affect twenty-one employees.

David moved to accept the revised employee handbook policy for holiday pay as edited and presented by Erica. Kevan seconded the motion. The handbook revision was approved by the board of trustees.

#### **Announcement:**

Brad announced that, per a board discussion a couple of months ago, that the small leadership team would get together to review library policies. They will see what needs to be updated and determine which, if any, policies need to be rescinded. NEKLS has a good list of policy areas to be covered for accreditation. The Library may align library policy names with NEKLS policy naming to ease this process.

#### Adjournment

There being no other business, the meeting adjourned at 5:04 pm

The next regular Board meeting will be held Monday, December 20 at a location to be determined.

Respectfully submitted, Tricia Karlin

### **Library Director's Report for December 2021**

How has 2021 already come and gone? Incredible. Lots of things going in this past month. If you haven't read the departmental reports, I strongly recommend it.

After so many delays, it is exciting to see some projects coming together. Two new public service desks are set to arrive at the library today – one for the front lobby (our new "Hello Desk") and one for the Teen Zone. Additionally, as Jon mentioned in his report, BA Green has begun work on our new offices on the lower level. The metal framing is in. If all goes well, the project should be completed in six to eight weeks.

As reported by Karen, we are getting close to revealing the new Picture Books shelving in the Children's Area. The collection has been weeded and will migrate to the new shelves anytime. I cannot wait for our community to see them.

To continue with news from the world of kids' books, the library along with the Friends and Foundation have chosen to become "champions" of our county's Dolly Parton Imagination Library initiative. We are contributing \$15,000 of current Friends & Foundation block grant funds as a start and then planning to be a \$10,000 per year contributor with the hopes of encouraging participation from other community organizations. I'm really excited about this partnership.

We elected to do something a little different with end of year bonuses for 2021. All staff who work 10 hours a week or more received a flat \$500 bonus. All subs and folks who work less than 10 hours a week received \$100. We used \$16k from our Eggert fund and general revenue for the reminder. The budget could support it, and frankly, our lowest paid employees need the bonus more than anyone. I think it's a gesture our staff broadly supports as we do the best we can for everyone.

Overall, the 2021 budget numbers are looking good. We should have a report ready for the January meeting with the particulars.

Respectfully submitted by Brad Allen, December 15, 2021

### **Cataloging & Collection Development:**

Collection Development placed the final purchase orders on Thursday, December 16th and the books should be balanced early the following week. Per Brad's request, we've focused on exhausting as much of our gift money as possible. For the first time in years we'll wind up underspent by approximately \$30,000.00

A diversity audit was approved by Brad. Ransom and Emily are working on scraping ISBNs from our collection to be sent in by the end of the year. Ingram should have a report for us by mid January 2022 that will be looked at by the IDEAA committee.

Kevin and Emily interviewed Cataloging Assistant applicants and have been working on selecting a candidate. An announcement should be made soon.

### **Collections & Technology:**

Kristin, Jeff, and Tricia met to determine if there were any synergies between Outreach and bookvan services to Retirement Communities. At this point, all present determined that the two operations are substantially different and it's optimal to continue these as separate operations.

With the CARES Act funding for the Digital Equity Collection nearly fully spent, the team set up a process for phasing out and communicating the end of the laptop and hotspot lending program. The program will end in late January. Laptops will be redeployed in a new service, likely lent to patrons for in-building use.

Facilities, Tech, and Accounts met with Karen and Margo to discuss the proposal to bring RFID gates to the Teen Zone to facilitate opening up the exit door for regular use by Teens. Concerns were expressed about the current physical space (e.g. no airlock for the exit) and that monitoring security gates could divert Teen Staff attention from their other services. The proposal is on hold until we have a few months of observation of current use of the Teen Zone.

Current RFID pads are not supported by bibliotheca and this creates usage issues. Quotes are being obtained for new RFID pads to be purchased and deployed throughout the library.

### **Department of Community Partnerships (DCP):**

We continue to work with Humanities Kansas, Haskell, and the Hall Center on planning the Joy

Harjo Event. Kristin has been working with community partners on holiday programming such as the Menorah Lighting on November 28th, and the City Band concert on Saturday the 15th of December. Kristin is also working with Reader's Services on planning Read Across Lawrence. She's also continuing to work with the Paper Plains board on the festival in early April.

**Diversity, Equity, and Inclusion:** Our interns have gotten settled, and really started to catch their stride. Kayla is currently working in the Info Services Department, and Khiana recently began working in Accounts. Soon, they will begin their MLS studies at Emporia State, and have already begun choosing classes. Erica and I are actively working on plans for training next year, as well as ideas for Staff Day. Last month, the LUX committee met to discuss current library policies, and the IDEAA committee will be tasked with reviewing certain policies to ensure that they are all equitable, antiracist, and so on. IDEAA's next meeting will be on December 16th, where we will begin this policy review.

**Employee Engagement:** The last month has been filled with hiring and welcoming new staff to the library. New staffers like Kate Delaney in Materials Handling and Zach Wormsley in Facilities and Maintenance have already started and we'll onboard a new Public Technology Services Assistant and a Cataloging Assistant soon. Brad, Melissa, and I also led two training sessions on Library Culture with information on the types of public libraries in the United States, the history of the Lawrence Public Library, and how we receive funding. The Employee Engagement Committee has been discussing how to have healthy boundaries to ensure a work life balance. The OOFun committee hosted an all-staff taco party to end the year in gratitude to our fabulous employees.

#### **Facilities:**

We finally got another Custodian on board! Zach will be working mostly weekends, but since his other job is at Free State High School he'll be able to help us more when school is out.

Construction of lower level offices is underway, and to accommodate the construction we've been doing more moving around. We carefully stacked and moved a couple dozen computers to make room for the new PTS Coordinator office and were able to find places to move four workstations and accompanying furniture to make space for the new Admin & DCP Coordinator offices. Accounts, PTS, and especially Cataloging & Collection Development have been extremely accommodating by letting us take some of their space for these temporary moves.

We had our last Bed Bug inspection of the year, with the exciting results of only 1 "hit"! This is hugely due to the inspections by our ever vigilant Materials Handling and our Friends'

Volunteers for tirelessly checking all the materials for these and other pests.

#### **Information Services:**

We're sad to announce that Erin Reazin, our Community Resource Specialist, is leaving us to return to her social worker roots with a new role at the Bert Nash Treatment and Recovery Center. We've learned a ton from Erin while she's been here, and wish her all the best moving forward!

Our first Community Resource Fair, coordinated by Erin, Hazlett, and Theresa, was a huge success, with about 60 patrons stopping by and many sharing positive comments about the services offered and gratitude for free haircuts! Our social work intern, Marc Veloz, has also been having a lot of success assisting patrons with filing applications for Kansas Emergency Rental Assistance (KERA), which helps to prevent folks from losing their housing. The Community Quaranzine initiative, coordinated by Hazlett and Jenny from YS, generated a huge response with lots of heartfelt submissions, and was written up in the ESU SLIM newsletter as well as the LJ World!

Theresa has been hard at work developing her health literacy reference skills, and recently completed the MLA Consumer Health Information Specialist certificate. Congratulations, Theresa!

Kayla Cook, one of our IMLS interns, has been doing a rotation in Info Services. She's a great addition to our department, and we're enjoying having her (even if only temporarily!) on our team.

#### LUX

LUX met to initiate a project to review library policies and procedures. The initial steps of inventorying existing policies is complete. The group also identified new policies to be created as recommended by NEKLS and internal needs.

## **Marketing:**

Launched the library on Tik Tok and at the helm is our new Teen Librarian, Sahara Scott, who has a formidable following of her own there — watch for library services, collections, and resources cloaked in dance moves and trending filters. Working with Brad to develop fresh, new Hello Desk guidelines and responsibilities as the desk is almost done and soon to arrive! The new workspace, signage, and guidelines will roll out hopefully in January 2022-ish; working with Angela Hyde to design a space in the lobby for DownHall Books "annex" (better name forthcoming) with curved bookshelves (example 1, example 2) for overflow books and an honor-system cash box; working with Youth Services Children's Reading Room renovation to

develop a palette for cairns (soft, climby things) and carpet; working with Outreach on a bilingual Community Needs Assessment brochure and marketing materials in Spanish and English. Hosted a photo shoot with County Commissioner Patrick Kelly and Deja Brooks (LPLFF Board member Brandon Eisman) for the LPLFF After Hours Fundraiser promo. Reviewing the Library Future Team's meeting minutes and sorting thoughts for our January meeting; working with the LUX Team to review library policies and guidelines, and meeting with Bibliocommons' Erica Reynolds on Friday 12/17 to touch base about the website and Kim's and my plans to evaluate its current iteration in 2022 to improve user experience for both staff and patrons. Coordinated the new Burkhead-Paley photo and collage exhibit which captures two Lawrencians' pandemic experiences in 2020. About the exhibit: Local photographer Jeff Burkhead hit the streets with his camera to document a year of friends, neighbors, and local responses from lockdown and quarantine through the presidential election. Longtime library supporter Judy Paley felt inundated by health and political information and responded by cutting out text from magazines and newspapers and reassembling them into word collages that succinctly capture the feelings many of us felt. Includes an interactive area that asks visitors to record their own memories for addition into the library's Zine Collection. The exhibit will be on display through December 31, 2021 on the library's Art Wall.

### **Materials Handling:**

Kate Delaney has started as a part time assistant here in Materials Handling. They're already doing a great job learning the ropes and I'm very excited to have them on the team.

I'm also pleased that OCLC's auto rejection feature for interlibrary loan lending requests is up and running. It spares Liza, our ILL assistant, from having to manually search for and reject lending requests for items already on loan.

The Look Play Listen team is also putting together several "best of 2021" media lists for our website and blog.

### **Outreach:**

We tabled at the Holiday Market on December 11th at the Fairgrounds and showed off Dottie and gave out copies of our community needs assessment. We're currently working with Somos on translating the survey and accompanying marketing materials in Spanish. We'll plan to distribute the survey at the Sunrise Project's community meal on 12/15. Evan has worked really hard to develop a system of distribution using community partners. We'll start planning our St. Patrick's Day Dottie Debut as a recipient of the St. Patrick's Day Parade funding. The \$10,000 ALA grant to fund the Dottie launch was submitted earlier this month and we'll hear the result by February 1, 2022.

### **Public Technology Services:**

It has been a busy month for Public Technology Services. Andrew Magleby, our wonderful Technology Assistant, left LPL to travel to France and we've been busy hiring a new department member. I'm happy to announce that Jake Little will be moving over from the Security Department to join us at the Tech Desk! He already has lots of relevant library experience and will be a great addition to the team. Many other projects are in full swing. Installation of new camera/streaming systems in the Auditorium and Meeting Room A is nearing completion. When finished, patrons and staff will be able to easily stream meetings and events without the need for external equipment. Speaking of equipment, we have begun ordering AV equipment as we continue to build out the new "videocast" addition to the SOUND+VISION Studio. Also, if you've been into the library, you may have noticed a construction zone at the bottom of the stairs behind the Tech Desk. Work crews have been transforming this area into a Public Tech Coordinator office. Work should hopefully be completed in the coming weeks. As a new department, we are excited to have a bit of space to call our own. Amidst all this, we continue to assist library users and staff with theirTechnology needs day in and day out.

**Readers Services:** Our final Booktoberfest events, Smackdown Trivia - Literary Edition and Book Club Speed Dating, were fully attended and a successful end to the six weeks of programming. In the last few weeks Readers' has been recapping the programs and started planning for next year. Current projects include purchasing new bags for Book Club in a Bag, creating the Book Squad 2022 Reading Challenge, and starting to plan programming for Read Across Lawrence in April of 2022.

#### **Youth Services:**

The Teen Zone is open! We've rearranged some things and looked over our practices to really set our teens up for success. We've had many regulars come back to visit us and it's great to see their faces again. Sahara and Margo are enjoying their time being teen librarians with teens in person. In other fun news, we should have our new Teen Zone service desk up and in use by the time of your board meeting. We're also working with the LPLFF on their February fundraising campaign in order to raise money for new Teen Zone furniture. Exciting things are happening!

We're wrapping up our fall programming and we've had some success and some foul balls. Determining in-person vs virtual or take-make programs still proves to be a guessing game on attendance for some events, but we're used to the ebb and flow of pandemic programming now. We're all looking forward to a break from programs over the holidays, but have enjoyed

so many things this fall, especially storytimes in person.

The new picture book shelving should soon be full of books. We've finished weeding some collections and are now ready to move things over after a lot of math. After shifting, the next step for this room is ordering new furniture, carpet, and educational learning stations/toys.

### Friends & Foundation Director's Report - December 16, 2021

**Drumroll, please: Dottie Fundraising Campaign.** We are pleased to report that the Friends & Foundation have exceeded its fundraising goal to help get Dottie in shape for her spring launch. Our goal was to raise \$50,000, and total gifts and pledges now stand at \$55,418! A huge "Thank You!" goes to Joan Golden for her help with contacting and visiting with donors. We are delighted with the results.

**Library Block Grant.** The Friends & Foundation's final board meeting of 2021 took place on November 22. At that meeting, board members approved a \$100,000 unrestricted block grant to the library, along with an \$8,000 grant to support year-end staff bonuses. The board also approved the Friends & Foundation's 2022 operating budget and conducted a preliminary discussion about upcoming distributions from the endowment. These distributions will be made in early 2022.

**Virtual Fundraiser Preparations.** The Friends & Foundation's fundraising committee has begun to plan the February 10<sup>th</sup> virtual fundraiser. We are excited that Douglas County Commissioner Patrick Kelly has agreed to serve as a co-host with Deja Brooks. The event will have a Valentine's Day "Library Lovefest" theme that will feature award-winning bartender Tyson Buhler, a special fundraising appeal for the Teen Zone, and "Win A Basket" drawings by Brad and the LPL Kids Action Committee. Please mark your calendars and plan to attend!

#### Year End Fundraising updates:

- <u>Seasons Readings Book Sale</u>. The last book sale of the year is almost here! Join
  us at the library to do some holiday book shopping on Saturday, December 18th
  from 10 am to 4 pm. As an added treat, the City Band will present its holiday
  concert at noon in the auditorium.
- End of Year Donations. Letters to our New Chapter Society members were mailed October 20th and a general mailer to all donors was sent out in mid-November. To date, we have received 290 gifts totaling nearly \$48,000 from these mailings. In addition, our wonderful donors have given \$27,000 in restricted donations that are earmarked for specific projects such as library outreach and the Teen Zone.
- <u>Giving for Good with DCCF</u>. As reported last month, the Friends & Foundation is participating in Douglas County Community Foundation's "Giving for Good" campaign during the month of December. Our goal was to raise \$5,000 to help equip Dottie. We are pleased to report that we have reached the goal, and as a result will earn a matching grant from DCCF.

A Great Year. The Friends & Foundation are so grateful to the community for its continued generous support for the library. We have accomplished so much together! The book sales are back in action, online book sales are stronger than ever, our first ever virtual fundraising event was a great success, monthly donors have increased, Retirement Boot Camp is thriving, and we're about to help the library launch Dottie, the coolest and best equipped library outreach vehicle around. We are in awe of this town.
