

# 2021 Annual Report

The Lawrence Public Library Friends & Foundation secures gifts from the community to supplement and strengthen the public's investment in the Library.

The Friends & Foundation shall establish, promote, maintain, endow, and render aid and assistance for the immediate and long-term needs of the Library through financial support, volunteer service, and advocacy.

## Letter from the Chair

April 25, 2022

To the Lawrence Public Library Board of Trustees:

The Lawrence Public Library Friends & Foundation (LPLFF) Board of Directors is pleased to report the progress we have achieved in the past year.

In 2021, LPLFF celebrated its second year as a united organization, and we are stronger than ever. Board members, donors and volunteers worked to fulfill our mission to secure gifts from the community to strengthen and supplement the public's investment in the library. Together, we ensured that the immediate and long-term needs of the library were met through fundraising, volunteer service and advocacy.

Lawrence Public Library is very fortunate to have taxpayer support for its core operating expenses. Supplemental private funds and strong volunteer service from the Friends & Foundation enable the library to do so much more for our community. Author talks, Summer Reading, Read Across Lawrence and Retirement Boot Camp all are made possible thanks to thousands of book buyers, generous donors and an army of volunteers. While private gifts will never replace strong public funding of Lawrence Public Library, it is clear that the library cannot rely solely on tax dollars to give children, teens, and adults in Lawrence full access to the information and services they deserve. We are grateful to have earned the trust and support of this community.

In addition to our wonderful volunteers and generous donors, I want to recognize the support of the library Board of Trustees, the invaluable contributions of the Friends & Foundation's Board of Directors and the work of our amazing staff. I have truly enjoyed my year as Chair of the LPL Friends & Foundation board. It is an honor to work with such a talented and dedicated team.

Sincerely,

Craig Penzler, Chair  
Lawrence Public Library Friends & Foundation

## 2021 Friends & Foundation Highlights

### Drumroll Please!

The Friends & Foundation are pleased to report that it contributed \$441,774 to the library in 2021, an increase of 94% from its 2020 gift. From Summer Reading to author talks, Read Across Lawrence to the Kanopy movie streaming service, this private support helps make so many important library programs and services possible. We are grateful to serve a community that so generously supports its public library.

### Dottie Comes to Life

In March of 2021, the Friends & Foundation board approved a proposal to help support a new outreach vehicle for the library. In partnership with the KU Architecture school, a UPS-style step van was transformed into a vehicle that will bring books, programs, and library love to neighborhoods throughout Lawrence. This incredible project was made possible by 60,000+ books sold and generous local donors. Despite supply chain issues and other unforeseen delays, Dottie will hit the road in time for the 2022 Summer Reading program!

# 2021 Friends & Foundation Highlights

## Book Sales are Back, Baby!

In 2021, Friends & Foundation book sales returned in a big way! A whopping 4,249 items were sold online, for a total of \$75,573. On-site book sales earned \$73,655 for the year. The book sale grand total – online and on-site – was \$149,228, an increase of 74% from 2020's levels. This amazing success story was made possible by our dedicated crew of book sale volunteers, who processed and posted book donations, packed book orders, and hosted sales and shopping appointments all year long.

## Endowment Growth Continues

The LPL Friends & Foundation is pleased to partner with the Douglas County Community Foundation to manage its endowed funds. In 2021, the LPLFF endowment grew to \$3,226,372. These funds support author talks, community literacy programs, library outreach, local history projects, the SOUND + VISION Studio, and so much more. Gifts to the Friends & Foundation endowment ensure that support for Lawrence Public Library will continue for years to come.

## After Hours at the Library Goes Virtual

The Friends & Foundation hosted its first ever virtual fundraiser and it was a huge success! A record \$70,000 was raised for the library. Of that total, \$30,000 was specifically for Hoopla and LPL's digital library. Lawrence's cultural ambassador Deja Brooks hosted the online party together with former Governor Kathleen Sebelius. It was a great night for the library and for the community.

## Volunteer Awards Coming Soon!

Join us for our Volunteer Appreciation party on Sunday, May 1 at 2 PM in Watson Park. Find out who is the recipient of the 2022 Mary Dalton Murphy Award. We can't wait to tell you!

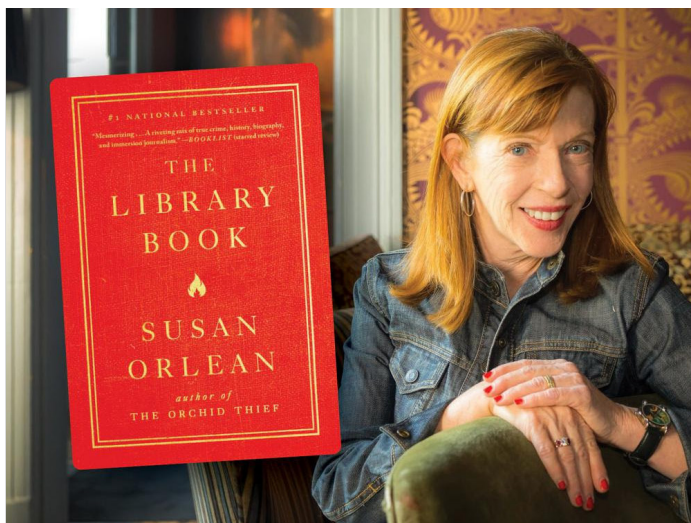

In the meantime, let's all take a moment to honor last year's award winner and superstar volunteer, Cristi Hansen!

## 2021 Friends & Foundation Highlights

### Retirement Boot Camp

2021 was year #2 of the Friends & Foundation's Retirement Boot Camp program. These popular sessions help retirees learn new skills, improve their tech knowledge, and connect with new friends. A new addition this year was Gray Anatomy, a wildly popular class hosted in partnership with LMH Health. Each month, a local health care provider presents information on aging and how it affects different parts of the body – ears, eyes, brain, heart, skin, bones and more! We are grateful for the support of the Kansas Health Foundation, whose grant got Retirement Boot Camp started. In 2022 and 2023, the Capitol Federal Foundation will ensure that this popular series continues.

### Susan Orlean Visit - At Last!

After a long pandemic wait, the Friends & Foundation welcomed Pulitzer Prize winning author Susan Orlean to Lawrence in October of 2021, ushering in a return to in-person programming. Her interview with library director Brad Allen centered on *The Library Book*, her work that chronicles the 1986 Los Angeles Public Library fire and discusses the essential role that libraries play in our lives. A huge thank you goes to the BNSF Foundation for supporting this program.
