Lawrence Public Library Board of Trustees Regular Meeting Monday, February 19, 2024 at 4:30 PM

Hybrid: Meeting Room A or Google Meet Link

Introductions

Consent Agenda

All matters on the consent agenda are considered within one motion and will be enacted by one motion. There will be no separate discussion on these items. If discussion is desired, that item will be removed from the consent agenda and will be considered separately.

- Approve Library Board meeting minutes for January 2024
- Approve Treasurer's report for January 2024
- Approve bills for January 15, 2024 to February 18, 2024
- Receive statistical report for January 2024

Library Director's Report

Monthly Departmental Reports

Friends & Foundation report

DRAFT

Lawrence Public Library Regular Board Meeting

Date: January 15, 2024

Time: 4:30 pm

Venue: The meeting was conducted in person and online.

Board Members Present: James Pavisian (Chair), Mayor Bart Littlejohn, Kelly Hart, Sarah Goodwin Thiel, Susan Kang, Allison Friend Mazzei, Jennifer Bonilla, Mandy Leibold.

Staff Members Present: Brad Allen, Kathleen Morgan, Erica Segraves, Aaron Brumley, Jon Ratzlaff, Heather Kearns, Tricia Karlin.

Friends and Foundation Members Present: Kelly Hart

Call to order

James called the meeting to order at 4:31 p.m.

Consent Agenda

Allison moved approval of the consent agenda. Sarah seconded the motion. Consent agenda passed.

Library Director's Report

- Brad presented the Director's report.
 - Brad is pleased to report that the library's new accountant, Mary Ann LeDosquet is making excellent progress taking over from the retired accountant, Denise Berkley.
 - The 2023 fiscal year ended well with revenues exceeding expenses. The Library transferred money from the Capital Improvement Fund to cover most of the expenses from the Main Level Office renovations. \$47,000 was carried over to cash reserves.
 - Brad is excited to be back at the library. He is ready to move forward with building renovations in anticipation of the library's 10-year anniversary in the rebuilt space.
 - Brad reported that the completion of the workroom renovation has been delayed because the library's contractor, B.A. Green, has been short-staffed over the holidays and all available resources have been focused on meeting a deadline on their project at KU. With that deadline past, he and Jon anticipate that in the next few weeks, B.A. Green will have the capacity to finish the library project.

Monthly Departmental Reports

No report.

Friends and Foundation Director's Report

- Kathleen presented the report for the Friends and Foundation (F&F).
 - In accordance with their regular calendar, the Friends & Foundation Board did not meet in December.
 - The Friends and Foundation are waiting on final financial reports, but initial indications are very positive! Of note:
 - \$670,000 total funds raised for 2023
 - \$200,000 of this amount was raised via book sales; the rest is from fundraising events, gifts, and merchandise.
 - Online donations are increasing; this aligns with national trends in fundraising.
 - A new strategy to place fundraising bookmarks in library books was successful.
 - The number of individual gifts was up significantly, reflecting the F&F campaign to encourage donors to give monthly.
 - 147 donors were "recaptured" meaning that they gave in 2021, did not give in 2022, and returned and made gifts in 2023. The bookmark fundraising may have helped with recapturing these donors, as those would have been seen by library 'super-users'.
 - The year-end fundraising mailing and the New Chapter Society letters were very successful.
 - On Friday of this week there will be a massive music sale: thousands of music CDs and other audio items will be on sale in the library auditorium.
 - The F&F are deep into planning for the After Hours fundraiser coming up on Friday, March 1. Kevin Wilmott & Deja Brooks will be co-hosts this year. There will be a travel theme: "Explore your Library". City Commissioners will be invited to bartend as they did last year. The donations from the fundraiser will support a project to develop a new memory lab, which will basically be a one-stop-shop for digitizing all types of media.
 - As of this month, Kathleen will join the Chamber of Commerce Board. Kathleen & Melissa Fisher Isaacs will soon meet with Joshual Falleaf, the Chamber's Economic Development Director.
 - Kathleen is also starting her second year as chair of the Kansas Book Festival.
- Kelly added that all trustees were emailed about selling tickets for baskets at the upcoming After Hours fundraiser.

New Business

- 2024 NEKLS Library Development Grant Application ACTION ITEM
 - Brad provided an overview of the NEKLS grant and the criteria the library needs to meet to qualify for the grant.
 - Brad noted that the library has a waiver for Standard 67 for Major Resource Libraries.
 This standard, the 'hours of operation' criteria for a Major Resource Library Board, sets a minimum of 65 open hours per week. LPL is open 64 hours a week. Brad has recommended that they change this standard to 64 hours or under (Lawrence Public Library is the only library in the "Major Resource" category for NEKLS.)

- Brad noted that NEKLS provided about \$16,000 last year in CE grants in addition to the standard grant.
- Bart moved to approve the grant application. Susan seconded the motion. The motion passed & Brad can move forward with the grant.

• Policy Review:

- Social Media Policy
 - Heather Kearns, Marketing & Patron Experience Supervisor
- Community Bulletin Board Policy
 - Heather Kearns, Marketing & Patron Experience Supervisor

Heather presented the draft policies for Social Media and the Community Bulletin Board.

Since these are operational policies, James said there is no requirement for the trustees to vote, but he invited trustees to provide suggestions or comments for improvement. Of note:

- Social Media Policy: should the library disallow comment functionality on their social media accounts? Or pre-approve comments? Heather had considered this and has listened to various positions on this issue at library conferences. However, for the following reasons, she recommends the library allow comments:
 - The social element is important
 - There are few problem comments
 - The library has some influencers that comment and are great promoters of library content. The relationship with these advocates could be negatively affected if the library locks down comments.
 - Various staff are assigned to monitor each social media platform. They stay alert for inappropriate comments.
- Community Bulletin Board Policy
 - Heather will add the category of missing persons or pets to the list of allowable content.
- Social Media and Community Bulletin Board Policies: the library should offer an appeal process to those whose content is initially declined for posting. Heather agreed and will:
 - Update the policies to highlight and provide guidance on the appeal process
 - Create an easily accessible form for petitioners to complete and submit to library staff for review.

Old Business

None

Public Comments

None

Executive Session

- Susan moved to go into executive session until 5:25 pm to discuss pending litigation. The motion was seconded by Sarah . The motion passed.
- At 5:23 pm, Bart moved to end the executive session. The motion was seconded by Susan. The motion passed.

Regular Session

Regular session resumed at 5:23 pm.

Announcements

None.

Adjournment

There being no other business, the meeting adjourned at 5:23 pm.

The next regular Board meeting will be held Monday, February 19, 2024.

Respectfully submitted, Tricia Karlin

Library Director's Report for February 2024

As I mentioned in last month's report, 2024 marks the 10th anniversary of our reimagined library. During the first half of this year, as part of our strategic planning initiative, we are beginning Phase 1 of a library spaces refresh. Phase 1 will encompass the entrance, lobby, checkout lobby, and atrium. We have had an initial meeting with folks from Multistudio (formerly Gould Evans) to get their assistance with the project. We hope to have some initial drawings from Multistudio next week.

Most of the changes will likely be furniture, fixtures, and equipment. The biggest change will be moving the Book Help desk up to the front of the fiction collection. We want our Readers' Services team to be more visible than where they are currently located in the southwest corner of the building. We also plan to remove the Hello Desk and replace it with a security post. This post may end up using the Hello Desk, but it will be staffed primarily by our security team rather than the current patchwork of volunteers and staff from multiple departments.

On January 31, Kathleen Morgan and I visited the Capitol for Kansas Library Association Legislative Day. Librarians from around the state met in the State Library. Kathleen and I visited the offices of all of our house representatives and senators. Most were unavailable, so we left cookies and a note, but we had a lovely conversation with Mike Amyx. We haven't seen a lot of legislation to cause any great concern, but we continue to monitor what is going on at the statehouse during the session.

Most of the remainder of my time this month has been spent working on building out the action items for our strategic plan rollout with our Big Leadership Team and refining goals for our two main performance indicators: percentage of active cardholders per population and Net Promoter Score.

Respectfully submitted by Brad Allen, February 15, 2024

Accounts:

Normal desk, phone room, and book van operations continue.

The Accounts desk is a much quieter place now that the new wall and doors have been installed separating the sorter off from the rest of the space. We finally moved into the new phone room.

The Data Team has started looking for a new software alternative for collecting our NPS score. Currently we're using Savannah for sending out the NPS survey, but with our subscription ending next month we need another system for collecting and calculating the score.

Cataloging & Collection Development:

There wasn't much new in Cataloging and Collection Development last month. The most exciting thing that happened was Cataloging getting a new label printer that can produce hub labels for discs. We'll now be able to print on demand and won't be as wasteful.

Collections & Technology:

Tricia gathered data with the help of Mary Ann, Erica, and other staff, and submitted the library's annual report to the State Library of Kansas. The library must complete this report in order to receive state aid from the State Library. The State Library forwards this data to the Institute of Museum and Library Services, the federal agency that gathers statistics and prepares reports on library service across the country.

Tricia worked on updating internal statistical reports, and started tackling some retroactive data collection for the Library Use Index (LUI) so that month-on-month and year-to-date comparisons on the indicator can be shared in 2024.

Tricia worked with Aaron on drafting an updated version of the Internet Access & Safety Policy, which will be submitted for review to the library board at their February meeting.

Diversity, Equity, and Inclusion:

Frankie assisted Erica in planning out our training schedule for the year. We have scheduled a number of training sessions - some specifically for supervisors, some mandatory for all staff, and a handful of optional training. Frankie is also assisting in the search for the new Adult Education Librarian position. Finally, she is preparing for a presentation at Manhattan Public Library on 2/19/2024.

Facilities:

Made through another hectic MLKjr Day, and I think it went pretty smoothly. Lots and lots of snow and ice melt got tracked in, which meant lots of extra mopping and more mopping to get that ice melt to come up, but now it's beautiful out and even though that means more trash *outside* to pick up, I think we'll take that any day.

The construction is finally done in the Main Level staff area! Well, 98% done if you take into account a handful of punchlist items on our end, or 91% done if you also take into account that we don't have the new workstations yet. Regardless, Info & Readers' Services have moved back upstairs and are utilizing the altered space.

Human Resources:

Erica attended two Human Resources Certification Institute webinars this month - HRCInsights: What to Expect in HR & Compliance in 2024 and Alchemizing HR: Business of Ethics which fulfilled her ethics requirement for recertification. Chuck Clanahan from the Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (CISA) also presented two Active Shooter Table Top trainings. These mandatory training for all staff focused on procedures to run, hide, or fight specific to the Lawrence Public Library.

Information Services:

The past month has been a busy one for Info Services! The team started the year with another update cycle for our Lawrence-Douglas County Resource Guide. During the course of the

update, we received 68 responses/submissions from new and existing governmental & non-profit organizations. Submitted responses include new programs in the area, new agencies, changes to existing service offerings, and program removals. Terese spearheaded the planning for LPL's hugely successful Martin Luther King, Jr. Day celebration; despite the frigid temps, 200 people joined us for a community lunch and a full slate of programs and performances. Marc and Terese collaborated with KU, JCCC, and LHS to coordinate an extremely timely workshop about financial aid and the new FAFSA. The Lawrence office of the KS Department of Children & Families (DCF) came to LPL to provide community members with assistance applying for LIEAP benefits and other DCF assistance programs; we're proud to hear that our partnership with the Lawrence DCF office has inspired DCF to partner with other libraries across the state of KS to offer similar one-on-one support. We continued our existing partnership with Bert Nash Homeless Outreach Team to offer them a space to conduct their annual point-in-time count of unhoused individuals. We kicked off tax season with our annual display of tax forms and instructions, along with our guide to free and local tax assistance resources. And, Melissa teamed up with Matt, Lauren, and Margo to provide an overview of library resources to a group of homeschool families.

Information Technology:

Kim has been working to coordinate an update for Symphony from 3.7.1 to 4.1.0. She has also been working on implementation steps for BiblioEmail. Sean and Aaron have moved Info and Readers' services staff workstations from their temporary workspace in Meeting Room B to the new office area using temporary furniture set up by Jon and Phillip and relying on Wi-Fi until we are able to complete wiring when the new furnishings arrive. Aaron has been working with E-Rate Solutions and our network equipment vendors to complete our 470 filing which will be posted very soon. Firewall replacement and improved support services will be sought. Wyebot Wi-Fi analysis tool was evaluated using a demo unit for inclusion with our E-Rate filing, but will not be sought at this time. Aaron led and Kim and Tricia participated in the first full meeting of our new Virtual Spaces Team.

Marketing & Communications (M&C):

The "Communications" side of Marketing & Communications (M&C), Kayla captured the <u>Martin Luther King, Jr.</u> event in an article and photos and videos. <u>LPL Con 2024</u> is promoted in a video on our YouTube and other social media platforms. <u>LPLFF</u> was supported through <u>Book Sale</u>

promotion and the After Hours At the Library annual fundraiser is promoted in the eNewsletter and has a Newsfeed article in the works. Staff enrichment was a big focus for 2024 with LinkedIn Learning completed on the Communications side: Marketing Foundations: Analytics; Strategic Content Marketing: Attract, Engage, and Retain; and Marketing Analytics: Presenting Digital Marketing Data. The Social Media Team has goals established to track for the year and will meet with William Ottens of Basehor Public Library for guidance on how to lead with strategy on socials. The team has expanded and is excited to create engaging and informative content. The Virtual Spaces Team had an initial meeting and M&C are excited for a refresh for the website following this team's lead.

On the "Marketing & Patron Experience" side, Heather and Brad have met twice with Steve Vukelich and Sean Zadke from Multistudio to share the scope of the Indoor Library Spaces project and first area of focus (Phase 1 includes improving the entrance, lobby, self-check lobby, and atrium experience). They took staff and patron feedback and are slated to present their first ideas in our Big Leadership Team meeting on February 22. Heather has spent considerable time in team meetings this past month as we work through Q1 library goals in our Strategic Plan and how that informs the work of M&C: Data Team, Programming Club, BLT, SLT+, Virtual Spaces/Website, and Collection Development. Heather and Angela Hyde visited Lawrence Transit's Central Station to get a better sense of what to do with the space they've afforded the library now that construction is done. After the library Fundraiser, we'll start working on signage and print pieces to go with the LPLFF satellite bookstore out there.

Collaboratively, the Spring 2024 issue of the *Reader* is live digitally and will hit stands soon.

Materials Handling:

Construction wrapped up this month and we're enjoying our new workspace. We're working with some KU engineering students as well as outside contractors to help dampen the noise level in the sorting room. One fun note is that we reprogrammed the sorter so that children's items are now returned to the bins on the north side of the sorter which will make it so kids can finally see their returns actually fall into their bins.

Other than that, the sorter cycle continues.

Outreach:

A slow month for Outreach with the frigid temps and the pending Dottie maintenance. However, the few stops we were able to keep were successful. Sarah and Marc went to the Haskell Student Orientation where they gave out lots of LPL swag and talked about library resources. Sarah tabled alone at the KU Honors Reception (Dole Center) where she issued many cards and chatted with numerous students, and tabling inside at LMH was such a success, we have decided to keep this as a regular indoor stop. Sarah is taking Dottie to be repaired on February 13th and is hoping for a quick turnaround.

Public Technology:

January saw us begin a new department schedule with Andrew Magleby and Jake Little moving to 32 hours full time. This transition will allow us to increase the frequency and quality of our technology programming. In January, we led 2 programs focusing on effectively searching the internet - one for Retirement Bootcamp, and one for the general public. We also began detailed plans for creating an improved and expanded digitization area where patrons can transfer old tapes and easily scan slides and documents.

Readers' Services:

RS is happy to all be in the same workspace again, even while waiting for furniture. We will spend a little of this month getting our house in order, but we're gearing up for a March Madness-style book battle that will take a good portion of our Feb/March and then we are looking forward to a few author programs, Hanif Abdurraqib and Sara Paretsky, in April. More details to come. The Book Squad is currently working with Danny Caine at the Raven to create a slate of authors we might approach to be our Beach Author for 2024. Social Justice book Club will be going on a short hiatus to reorganize and collaborate with Marc Veloz to bring more community engagement opportunities to our members and hopefully be back in June!

Security:

The implementation of the new Patron Incident Tracking System (PITS) was delayed a bit, but we hope to have it up and running in the very near future. The new Library Safety team is being formed and will meet soon so we can start tackling the ever growing safety list. Luckily this new team will include Erica (HR), Frankie (D&E), plus representatives from all the public services departments to get things prioritized, researched, and done.

Youth Services:

YS is chugging along nicely. On top of our regular programming, we had a great couple successes with our Bluey Bash Lite, MLK Jr Day collab with Info Services, and D&D Bootcamp for the RetroActive patrons. School visits have ramped up a bit with a slate of visits from Bishop Seabury and a homeschooling collective interested in general resources as well as an oral history project in the Sound and Vision Studio. Hannah Parks has had great success taking over Linda Clay's storytimes. Yari Media and Sarah Mathews are working to add an additional storytime outreach to the Headstart at Plymouth Congregational in addition to the visits we already have with the program at Kennedy. This week and next Margo Moore is working with the secondary school librarians on an artist retreat program with the local author of "Sun Hero" magazine, Dané Shobe. The schools will be bringing their students to the library's auditorium for an art lesson and to meet Shobe. On the horizon: spring break programs, LPL Con, and summer reading!

LPL Friends & Foundation Director's Report – February 16, 2024

Second Saturday Sale. We are pleased to report that our book sale volunteers hosted another successful Second Saturday Sale on February 10th, raising a total of \$4,629. Last year's Second Saturday Sale in February raised \$2,263, so this is record setting! Be sure to mark your calendars for the next one, coming up on Saturday, March 9th.

Friends & Foundation Fundraiser Update. The Friends & Foundation are in full fundraiser mode! After Hours at the Library happens on Friday, March 1st, 7:00 pm at the library. The event is shaping up really well. Here's the latest report:

- \$38,500 in sponsorships from 22 sponsors (a new record!)
- 23 donated baskets from book clubs, businesses and library fans (Check them
 out: <u>buy your raffle and party tickets here</u>). Tickets to win this group of baskets
 will be sold through February 29th, and winners will be announced at the party.
- Two "Mega Baskets" will be offered exclusively to those who attend the event.
 One is an "Explore Kansas City" basket that includes a Chiefs Suite experience.
 The second is an "Explore Lawrence" basket featuring a personal tour of Allen Field House with the Voice of the Jayhawks, Brian Hanni;
- Performances by: The Harry Miller Piano Jazz Trio, With a Twist featuring Marvin and Ann Hunt, and this just in from Barry Barnes: Adult Story Time with Uncle Washboard's Psychedelic Experimental Music Laboratory featuring special guests MC Cow, TV Head, and guitarist Ross Williams (that alone is worth the cost of admission!)
- Cocktails from 715, Free State beer, and wine served up by City Commissioners
- Appetizers and desserts from Maceli's, J Wilsons, Eldridge TEN, Lucky Sebs, Minsky's, Limestone, Mass Street Fish House, Wild Alive Ferments, and Squishingtons
- Fund-a-Need for a new DIY Memory Lab in the Local History Room
- Card Catalog Wine Pull by City Wine Market
- Book Sorter Roulette with fabulous prizes
- Paper airplane competition in the Children's Room
- And of course, our incredible co-hosts, Kevin Willmott and Deja Brooks!

A huge THANK YOU goes to our planning committee: Brandon Eisman, Rachel Rademacher, Dan Storey, Sue Hopkins, Jan Conard, Logan Isaman, Kassie Nieters, Mary Gage, Margie Coggins, Nancy Hambleton, Blanca Herrada, and Cathy Hamilton.

Before You Check Out Classes. After a hiatus of nearly five years, the Friends & Foundation is once again offering its popular series on end-of-life planning. The 2024 Before You Check Out curriculum includes these classes:

- Estate Planning 101: Feb 15 I 10:30am I Ann Premer, Stevens & Brand
- Make A Clean Getaway: Mar 26 I 10:30am I Margie Coggins & Kathleen Morgan
- HealthCare Advance Planning: Apr 24 I 10:30am I LMH Health
- Who Will Tell Your Story? May 22 I 10:30am I Cathy Hamilton
- The End: Burial Options: June 19 I 10:30am I Todd Miller, Rumsey-Yost

MEMO

To: Lawrence Public Library Board of Trustees

From: Aaron Brumley, Information Technology Supervisor

Tricia Karlin, Collections & Technology Manager

Date: January 22, 2024

Subject: Suggested revisions to the Internet Access & Safety Policy

The Kansas Children's Internet Protection Act (KS-CIPA) requires that any public library that provides public access to a computer shall have a policy in place to:

- protect children from visual depictions that are harmful to minors
- prevent not only minors, but all persons, from accessing visual depictions that are child pornography or obscene

Kansas Administrative Regulation 54-4-1 requires that Lawrence Public Library's governing body review this internet access and safety policy at least once every three years. The library's policy is due for review in February 2024.

The library's internet access and safety policy also addresses the library's interest in ensuring the security of the library's computer and internet resources, and to prohibit patrons from using those resources to engage in unlawful acts.

Staff examined the existing policy and suggested revisions to add clarity, remove outdated procedural elements, and further limit library responsibility as related to patron use of library computers and internet resources. These suggested edits are as follows:

- Expand the application of this policy to cover not only patron use of library computer workstations, but also library networks
- Remove reference to a now defunct website unblocking application form, and referring both blocking and unblocking requests to the Library Director; such requests are infrequent, and simplifying the process for patrons and staff seemed appropriate

- Add 'tampering' to the list of unacceptable computer use behaviors, i.e., "Tampering with, damaging or attempting to damage computer equipment or software"
- Add "prints, images, or software programs" to the list of types of harassment that are unacceptable, i.e. "Sending harassing messages, prints, images or software programs to other computer users"
- Add the option for staff to issue a verbal or written warning before revoking access to library computer or other library use
- Note that the library is not responsible for injury or liability incurred while using any library computer or internet resources

Thank you for your time and consideration of these proposed revisions.

Internet Access & Safety Policy

Approved by the Lawrence Public Library Board of Trustees on 9/20/1999. Revised 9/21/2000; 8/15/2001; 9/16/2002; 11/18/2002; 11/15/2004; 11/21/2005; 1/20/2009; 10/13/2015; 10/15/2018; and 02/15/2021. Submitted for review on 02/19/2024. Next review date: 11/2026.

General Statement on Internet Access

Lawrence Public Library (Library) provides public access to the Internet in support of its mission and affirms its commitment to the principles of intellectual freedom as expressed in the American Library Association's Library Bill of Rights. Public access to the Internet is a fundamental service of the Library and is provided to all patrons.

Patron Responsibility

Patrons who use the Library's computers or wireless network to access the Internet will respect the privacy of other users; abide by federal, state, and local law, particularly those ensuring the safety of minors; and follow the policies of the Library.

Parents and guardians, not Library staff, are responsible for Internet use by their minor children, including those who visit the Library without a parent or guardian.

Use of the Library's computers, electronic devices, or network to access the Internet constitutes agreement with this policy.

Unacceptable use includes but is not limited to:

- Accessing or exhibiting visual depictions that are child pornography, harmful to minors, or obscene as defined by the Kansas Children's Internet Protection Act. (K.S.A. Supp. 2013 75-2589)
- Violating individual privacy rights, including unauthorized disclosure, use, and dissemination of personal information regarding minors
- Sending harassing messages, prints, images, or software programs to others
- Accessing or attempting to access secure data in an unauthorized manner
- Tampering with, damaging, or attempting to damage computer equipment or software
- Interfering with systems, operations, integrity, or security
- Violating copyright laws and software licensing agreements
- Using library computers and/or internet to conduct illegal activity

Staff is authorized to take immediate action to protect the security of computers and electronic devices and the network or to enforce any part of this policy, including, but not limited to:

- Verbal or written warning
- Immediate termination of the Internet session
- Suspension of computer use or other Library use privileges
- Notification of appropriate law enforcement officials
- Prosecution

Internet Safety Policy

In compliance with CIPA and the Kansas Children's Internet Protection Act, the Library implements and enforces technology protection measures in an effort to ensure that no minor has access to visual depictions that are child pornography, harmful to minors, or obscene, and to ensure that no person has access to visual depictions that are child pornography or obscene while using a public access computer.

A Library employee may disable a technology protection measure if

- Requested to do so by a library patron who is not a minor, and
- The requested access is for legitimate research or other lawful purpose

Library staff monitor usage of the online computer network through Internet filtering software, observations of Library staff and other users, and other means.

Patrons who are prevented from accessing websites that they believe should not be blocked, or, who encounter websites that they believe should be blocked, but which are not, may submit a request in writing to the Library Director. Requests must include the URL of the site and whether the request is to block or unblock it. Staff shall examine the site in accordance with this policy and make changes to the site block as may be appropriate.

Concerns about the enforcement of this policy or observed patron behavior that violates this policy will also be submitted in writing to the Library Director, providing as much detail as possible.

The library will inform patrons of the provisions of this policy by making the policy available on the library's website.

Library Rights and Responsibilities

Library staff will not disclose patrons' use of the Library with respect to information sought or received via the Internet except pursuant to a valid court order or subpoena authorized under federal, state, or local law, or as a result of unacceptable use as described herein.

Library staff may establish limits on the length and number of sessions allowed and may reserve some Internet workstations for specific uses.

The Library is not responsible for any unauthorized or illegal activity conducted over the Internet using Library equipment.

The Library is not responsible for loss of data, damage, liability, or injury from using library computer or internet resources.

The Library cannot guarantee that Internet filters will block offensive and/or illegal materials.

Policy review

This policy will be reviewed at least once every three years by the Library Board of Trustees.
