PANEL SESSIONS CONTINUED

STEAM ROBOTICS SHOWCASE (MEETING ROOM B)

In this panel, Team STEAM aims to educate teens about the opportunities we provide. This consists of a presentation, a Q&A session, and a chance to drive our competition robot. We'll explain how Team STEAM functions, competes, and how we connect with our community. We welcome everyone, whether you're familiar with robotics or not!

INTRO TO EVA FOAM WITH JESSICA JURCZAK (MEETING ROOM C)

Are you new to cosplay? Don't know what this "EVA foam" material is? Learn about it all and more in this introduction to EVA foam for cosplay! We will discuss what EVA foam is, the various applications and techniques used with foam, priming and painting, and using EVA foam with other mediums. From cosplay armor to props to more, there are endless possibilities!

8:00 - 9:00 PM | COSPLAY RUNWAY & FEEDBACK

JUDGES: DIANA THE GREAT, ANOTHER CASTLE CREATIONS, AND MAVIE WAVIE COSPLAYS!
