Policy Statement:

The Library is committed to providing a safe and respectful environment for all its users. Behavior that disturbs others' use of the library, creates an unsafe environment, impedes the work of library staff, or creates a risk of damage to library property is not permitted. Behavior that violates local, state, and/or federal laws is prohibited. These behavior expectations apply to all library property, both inside and outside of the building. Additionally, these expectations apply wherever library service interactions occur.

Library users are expected to respect staff requests to stop unacceptable behavior.
